## Orientation Program for Kindergarten 2010

*Gordon East Public School caters for children from Kindergarten to Year six. The school is set in two hectares of picturesque, quiet, leafy parkland.*

*Our school provides a happy, stimulating environment where all students are encouraged to excel and reach their full potential. An outstanding feature of Gordon East is the sense of purpose shared by the school community and the supportive relationships that underpin this. Our caring and committed staff work in partnership with parents to inspire students to succeed.*

**Kindergarten Orientation Session    Tuesday October 20                    9.45am in the hall**

We look forward to welcoming families on this important day. Parents are invited to hear all about the wonderful programs and opportunities that are provided at Gordon East, whilst your children participate in a range of activities with our Kindergarten teachers.
