Instrument Hire Policy for
Gordon East Public School Band Program

The Gordon East Public School Band Committee is pleased to provide your child with a school-owned instrument for his/her use during the 2015 school year.

At the end of the school year the instrument is to be returned to the school. It may then be reissued for the following year, when a new hire agreement has been completed. This will be dependent on an assessment at the beginning of each year by the Band Director for needs within the band. The Band Director will allocate instruments each year for hire.

This arrangement is intended to encourage students in the pursuit and development of their musical talent and interest.

Conditions of Hire

Upon issue of an instrument, the following expectations will apply:

- Students hiring an instrument must be part of the Band Programs offered in the school;
- It is the parent/carer and student’s responsibility to keep the instrument secure at all times- at home, school and whilst in transit;
- Students are not permitted under any circumstances to loan their instrument to other students or to make exchanges;
- GEPS owned instruments are covered by school insurance while they are at school. Private insurance is required for the home and is the responsibility of the parent/carer.
- Many instruments come with accessories. It is the student’s responsibility to ensure the security of these accessories as well as the instrument itself;
- Printed music books and other bulky materials are not to be placed inside the instrument case, unless there is special provision;
- For health and safety reasons, it is the student’s responsibility to purchase their own cleaning equipment, and to regularly clean their instrument.
- All hire instruments must be returned to GEPS at the end of each school year of hire. Over the summer break, each instrument will be assessed and given a full service if needed. If repairs are necessary, the parent/carer will be responsible for the cost of repairs for damage or excessive wear and tear.
- During the year, any loss or damage to the instrument is to be reimbursed to the school at the cost of replacement or repair. All repairs must be completed by an approved repairer. The Instrument Hire Coordinator will be able to provide a list of approved repairers.
- The parent/carer will notify the band conductor, or instrument co-ordinator on the band committee, if the instrument needs repairing, or is damaged. The parent/carer will also ensure that the instrument is returned to the school as soon as possible.
