Kindergarten 2016 Transition to School Program

School Vision

A welcoming and collaborative school community that supports high quality learning. Quality teachers inspire students to be creative and critical thinkers enabling them to become active and informed global citizens.

We look forward to welcoming families on these important days. Parents are invited to hear all about the wonderful programs and opportunities that are provided at Gordon East, whilst your children participate in a range of activities with our Kindergarten teachers.

Day 3 Wednesday November 18

Our successful transition program provides an opportunity for your child to meet other Kindergarten children. We would like parents to stay during these 3 sessions to meet other new parents, as well as gain useful information about your child’s learning in their first year at school. Your children will benefit from the experience of participating in Kindergarten classrooms and meeting our experienced and highly skilled current Kindergarten teachers.

**Morning tea will be provided for parents each day. Sessions will end at 11am.**
