Open Day – Wednesday August 5 2009

All families in the Gordon community are warmly invited to our Open Day which will commence at 10am.

Gordon East Public School caters for children from Kindergarten to Year six. The school is set in two hectares of picturesque, quiet, leafy parkland.

Our school provides a happy, stimulating environment where all students are encouraged to excel and reach their full potential. An outstanding feature of Gordon East is the sense of purpose shared by the school community and the supportive relationships that underpin this. Our caring and committed staff work in partnership with parents to inspire students to succeed.

Whilst particular emphasis is given to the basic skills, we provide a range of extra-curricula activities to further enhance educational opportunities in Dance, Choir, Drama, Band, Creative Arts, Chess, Debating, Public Speaking, Student Representative Council and Sport (including interschool competitive sport).

Gordon East Public School has a strong technology focus, with a video conferencing connected classroom and interactive whiteboards in all classrooms. This exciting technology enables our teachers to present interactive lessons in their day to day teaching in the classrooms.

Challenging and Inspiring Innovative Learning
